L'identità CONFORTPLUS fonda le sue basi sulla tradizione e sull'innovazione: il sapere di esperti artigiani definisce un prodotto realizzato con le più moderne tecnologie, mentre la passione umana offre sensibilità alla precisione industriale, in una tensione ideale che coinvolge tutti i settori aziendali. Una vera espressione del concetto di Made in Italy che, insieme all'accurata ricerca di materiali e soluzioni si concretizza in un prodotto di alta qualità esaltandone gli aspetti tecnici, il design ed il confort.

L'identité CONFORTPLUS est basée sur la tradition et l'innovation : le savoir-faire d'artisans experts définit un produit réalisé avec les technologies les plus modernes, tandis que la passion humaine apporte une sensibilité à la précision industrielle, dans une tension idéale qui implique tous les secteurs de l'entreprise. C'est une véritable expression du concept du Made in Italy qui, associé à la recherche minutieuse de matériaux et de solutions, se concrétise dans un produit de haute qualité, mettant en valeur ses aspects techniques, son design et son confort.

The CONFORTPLUS identity is founded on tradition and innovation: the knowledge of expert craftsmen defines a product made with the most modern technologies, while human passion offers sensitivity to industrial precision, an ideal tension that involves all company sectors. A true expression of the concept of Made in Italy which, together with the careful research of materials and solutions, results in a high-quality product, enhancing its technical aspects, design and comfort.
